THE GAME OF FANTASY BATTLES

The die of battle rises above the lands of the Old World. Mighty armies gather for the day of reckoning. Brave warriors march forward under their banners of conquest. Amongst these ranks are fearless heroes, secret wizards, terrifying monsters and devastating war machines. Clouds of arrows darken the sky and swords clash against shields as the battle rages. The dark age of war has begun!

Warhammer is a tabletop game for two or more players where you become the battle commander of a mighty army, commanding and planning your own army in readiness for battle! This box provides you with everything you need to play including a selection of brutal Orcs and stalwart human troops of the Empire. The rulebook contains full rules for fighting battles and a host of useful information on gaming, collecting and painting miniatures in the exciting world of Warhammer.

This box contains everything you need to get started including the core troops of two opposing armies, and the Warhammer rulebook.
